RE: KONDWANI SAKALA – NRC No. 583620/10/1

This minute serves to inform you that the above named student has successfully completed his teaching experience at Moomba Boarding Secondary School from 9th to 20th November, 2020.

During his stay at the school, Kondwani taught Computer Studies to grade 8 and 9 pupils where he exhibited excellent teaching skills. His relationship with the learners was excellent and his attendance and punctuality was very good. In addition to teaching, Kondwani found time to interact with several other learners where he taught them basics in Computer Programming.

Generally, he has been an excellent student while at this institution.

Any help rendered to him will be highly appreciated.

Yours faithfully,
